RESPONSE

Assistant Commissioner for Patents,  
Washington, D.C.

Sir:

In response to the Official Action of September 7, 2000, the period for response having been extended for one month by the attached petition, please amend the present application as follows:

IN THE CLAIMS:

Claims 1 and 2, rewrite as follows:

SUB  
D  
BT

1. (Amended) An ink jet recording material comprising:  
a support; and  
at least one recording layer provided on said support;  
wherein at least one of said at least one recording layer contains colloidal particles and a water-soluble resin; and  
a peak on a pore diameter distribution curve of said recording layer lies in a pore diameter only in the range of 2 nm to 100 nm.
